Rich and his family have lived in the community for over 8 years and joined the Pinecrest Swim and Tennis club last year. His children, Evelyn and Alexander, enjoyed their first year as members of the swim club and his family centered their summer around swim team and social activities at the club. Richard has a passion for providing an environment for children to prosper, evidenced by his current role as Chairman of the Board of a local charitable organization with revenue in excess of \$1m which provides after school educational support to elementary school children. Coupled with his 23 years spent in Risk Management and Corporate Governance, Richard looks forward to bringing this expertise to the Pinecrest Board. Richard will focus on helping the club provide a rewarding experience for its members, improving facilities and services, all whilst keeping the club fiscally sound and operations well managed. In his spare time, Richard enjoys playing golf, growing fruit and vegetables in his garden, cooking (mostly Indian food) and trying (still, after 44 years) to get fit.
