My wife, Niki, our 4 girls, and I have been members of the Pinecrest Swim and Tennis Club for the past 11 years. My daughters participate on the PC Swim Team and Niki and I are active volunteers for the summer swim league meets. We live in the Bradley Farm Development where I have served as President or Vice-President for the past 10 years. During that time I have overseen the relationship with our management company, negotiated our pool, trash collection, and landscaping contracts, and managed several neighborhood disputes. During my non-volunteer hours, I am the Director of Undersea Technology for the US Navy. Before that I spent 21 years on active duty serving in the Naval Submarine Service. I am very interested in the upkeep of and improvements to our community pool now and for the future. Please consider letting me serve the Pinecrest community as a member of your board. Thank you.

My family has been a member of Pinecrest since 2013. I was asked to join the board and take over the Board's Social position for summer 2019. We had a great summer and added many fun social events to the calendar: adult trivia night, end of summer Oktoberfest party, yoga & brunch mornings, and several family events as well as movie nights. I'm also entering my 4th summer as B Rep for the Pinecrest swim team, on which all three of our boys participate. I look forward to serving on the Board again.
